digital menu

For over 68 years we have been producing our cakes, open sandwiches and much more, here in our bakery using the finest Austrian ingredients.

Free-range eggs from Burgenland (southeast region), apricots from the famous Wachau (known for the tastiest apricots), apples from Styria (the green heart of Austria), flour from the Weinviertel, ham from a local butcher here in Hernals, organic bread of the Öfferl bakery and all our milk products are from Austrian dairy farmers!
